

# Quality of Life Philosophy

In support of GEF Seniors Housing's Mission and Vision, our Quality of Life Philosophy is:

*"To provide seniors with accessible, affordable, and safe housing in comfortable and supportive environments that promote opportunities for them to successfully age in place."*

The Guiding Principles to the Quality of Life Philosophy include working together to:

- Promote and respect individual **choice**, recognizing that each senior has knowledge and experience to be able to determine how best to live their life;
- Ensure each senior is treated fairly and with **dignity**, regardless of their age, gender, religious belief, ethnicity and culture, sexual orientation, financial means, life experience or ability;
- Foster opportunities that contribute to promoting one's **well-being** by supporting and encouraging each senior to live a healthy, independent life, where their voice is heard and respected;
- Encourage relationships between seniors, staff, and communities based on **respect, kindness, and compassion**;
- Promote **accountability** by providing each senior with the opportunity and encouragement to take ownership of, participate in, and provide feedback to the community in which they live.
