

How to Become a Volunteer

Step 1: Application & Screening

1. Visit our website to complete the volunteer application.
2. Join us for an in-person meet and greet to learn more about our organization and the volunteer experience. These sessions are held approximately once a month.
3. Determine if our organization aligns with your volunteer goals.
4. If both parties agree it's a good fit, volunteers over 18 must apply for and pay \$20.00 for a Vulnerable Sector Police Information Check. We accept checks completed within the last 3 months. Note that processing takes about 2-3 weeks.

Step 2: Onboarding & Training

Once we've received a clear Vulnerable Sector Police Information Check you will complete the onboarding steps below:

- An on-site Volunteer Orientation
- Role specific training
- Buddy shift, if applicable

Step 3: Start Volunteering!

Following onboarding and training, the Activity and Wellness Coordinator will connect with you to schedule volunteer shifts. You will receive ongoing support and training throughout your volunteer experience.
